

A Special Meeting was held on July 22, 2025, to discuss new city ordinances with Council Members Terri Trettel, Jessy Lashinski, Travis Bartkowicz, City Clerk Jude Stodolka and Scott Saehr with Saehr Consulting present.

The key points for the meeting were to check current ordinance updates and overview. The research of the existing codes have been completed with the addition of the Chicken Ordinance, Open Pit and Burning Ordinance, Nuisance Code and Animal Ordinance. The repeal process is in progress with City of Bowlus Attorney Sue Dege.

The Shoreland (Stream) Wetland Ordinance was discussed, but no solution was made at this time.

The ordinance draft has been completed except for the Land Use Ordinance which requires a zoning map. Scott Saehr will address the possibility of having Moore Engineering create a zoning map. The City of Bowlus will look into getting a quote.

The draft resolution was reviewed. There was a discussion on public hearing notices. Mr. Saehr will attend the August meeting to discuss and set up a date for public hearing notices.

Attorney Sue Dege will need to sign off on the ordinances before the City of Bowlus can set a date. The timeline is September or October.

The draft ordinances will be available on the City of Bowlus website.

A motion was made by Terri Trettel to adjourn the meeting. Seconded by Jessy Lashinski.

Meeting adjourned at 7:10 p.m.
